SAHAYOG** | **School<sup>®</sup>  
Kit**

2022

# Background

School kit is the signature project of the Seva Sahayog Foundation. A school kit is an assortment of items such as a school bag, pen, pencil, drawing book, colours, and compass box.

Since 2008, School Kits have been distributed to children in aided & unaided schools, and educational centres run by NGOs across Maharashtra.

School Kits have also been distributed in many regions that have suffered large-scale devastation due to natural calamities. Schools and centers are selected based on their year-long communication & relationship with Seva Sahayog.

The Seva Sahayog Foundation has been successfully running a 'School Kit' drive to gift a school kit to schools – children from economically weaker sections of society.
