# Seva Sahayog and School Kit

## Giving Hope to a Child's Future

- At Seva Sahayog with school kit aims to bring smiles to underprivileged school-going children every year since 2008
- School Kit includes an assorted set of materials such as school bag, notebooks, pen, pencil, drawing book, colours and compass box according to the requirements of primary, secondary and higher secondary students
- Assembly of all the study material in the bags used to be a big event involving all the volunteers from age group eight to eighty years of age group, But as we all know this year was different for various reasons.....

# Along with School Kit- Home Study Kit and Covid Care Kit

---

- In 2020, with Covid-19 pandemic lead to uncertainties such as job insecurity, unpredictable lockdowns, health risks, etc. added to the worries to parents of underprivileged children resulting in education taking a backseat
- Government & educational institutes are trying their best to fill the gaps in Education by starting online classes
- With the lack of availability of study material in rural and also some parts of urban areas it was more important to provide these children with a study kit
- Considering the health risks this year SevaSahayog decided to add home study set and Covid care kits as students were studying from home this year
