

# School Kit

## 2023

# Introduction

- Seva Sahayog Foundation's flagship initiative, the School Kit project, is a vital endeavour aimed at empowering young minds. A School Kit comprises a carefully curated assortment of essential items, including a school bag, pen, pencil, drawing book, colours, and a compass box.
- Since its inception in 2008, the School Kit distribution program has made a significant impact by reaching out to children in both aided and unaided schools, as well as educational centers run by NGOs across the state of Maharashtra.
- The selection of schools and centers to benefit from the School Kit project is conducted meticulously, considering their continuous communication and collaboration with Seva Sahayog throughout the year. This ensures that the kits are delivered to those who will benefit the most from them.
- The Seva Sahayog Foundation is focused on providing these school kits to students from economically disadvantaged backgrounds. Through this initiative, the Seva Sahayog Foundation not only strives to bridge the educational gap but also create a brighter future for these young learners.

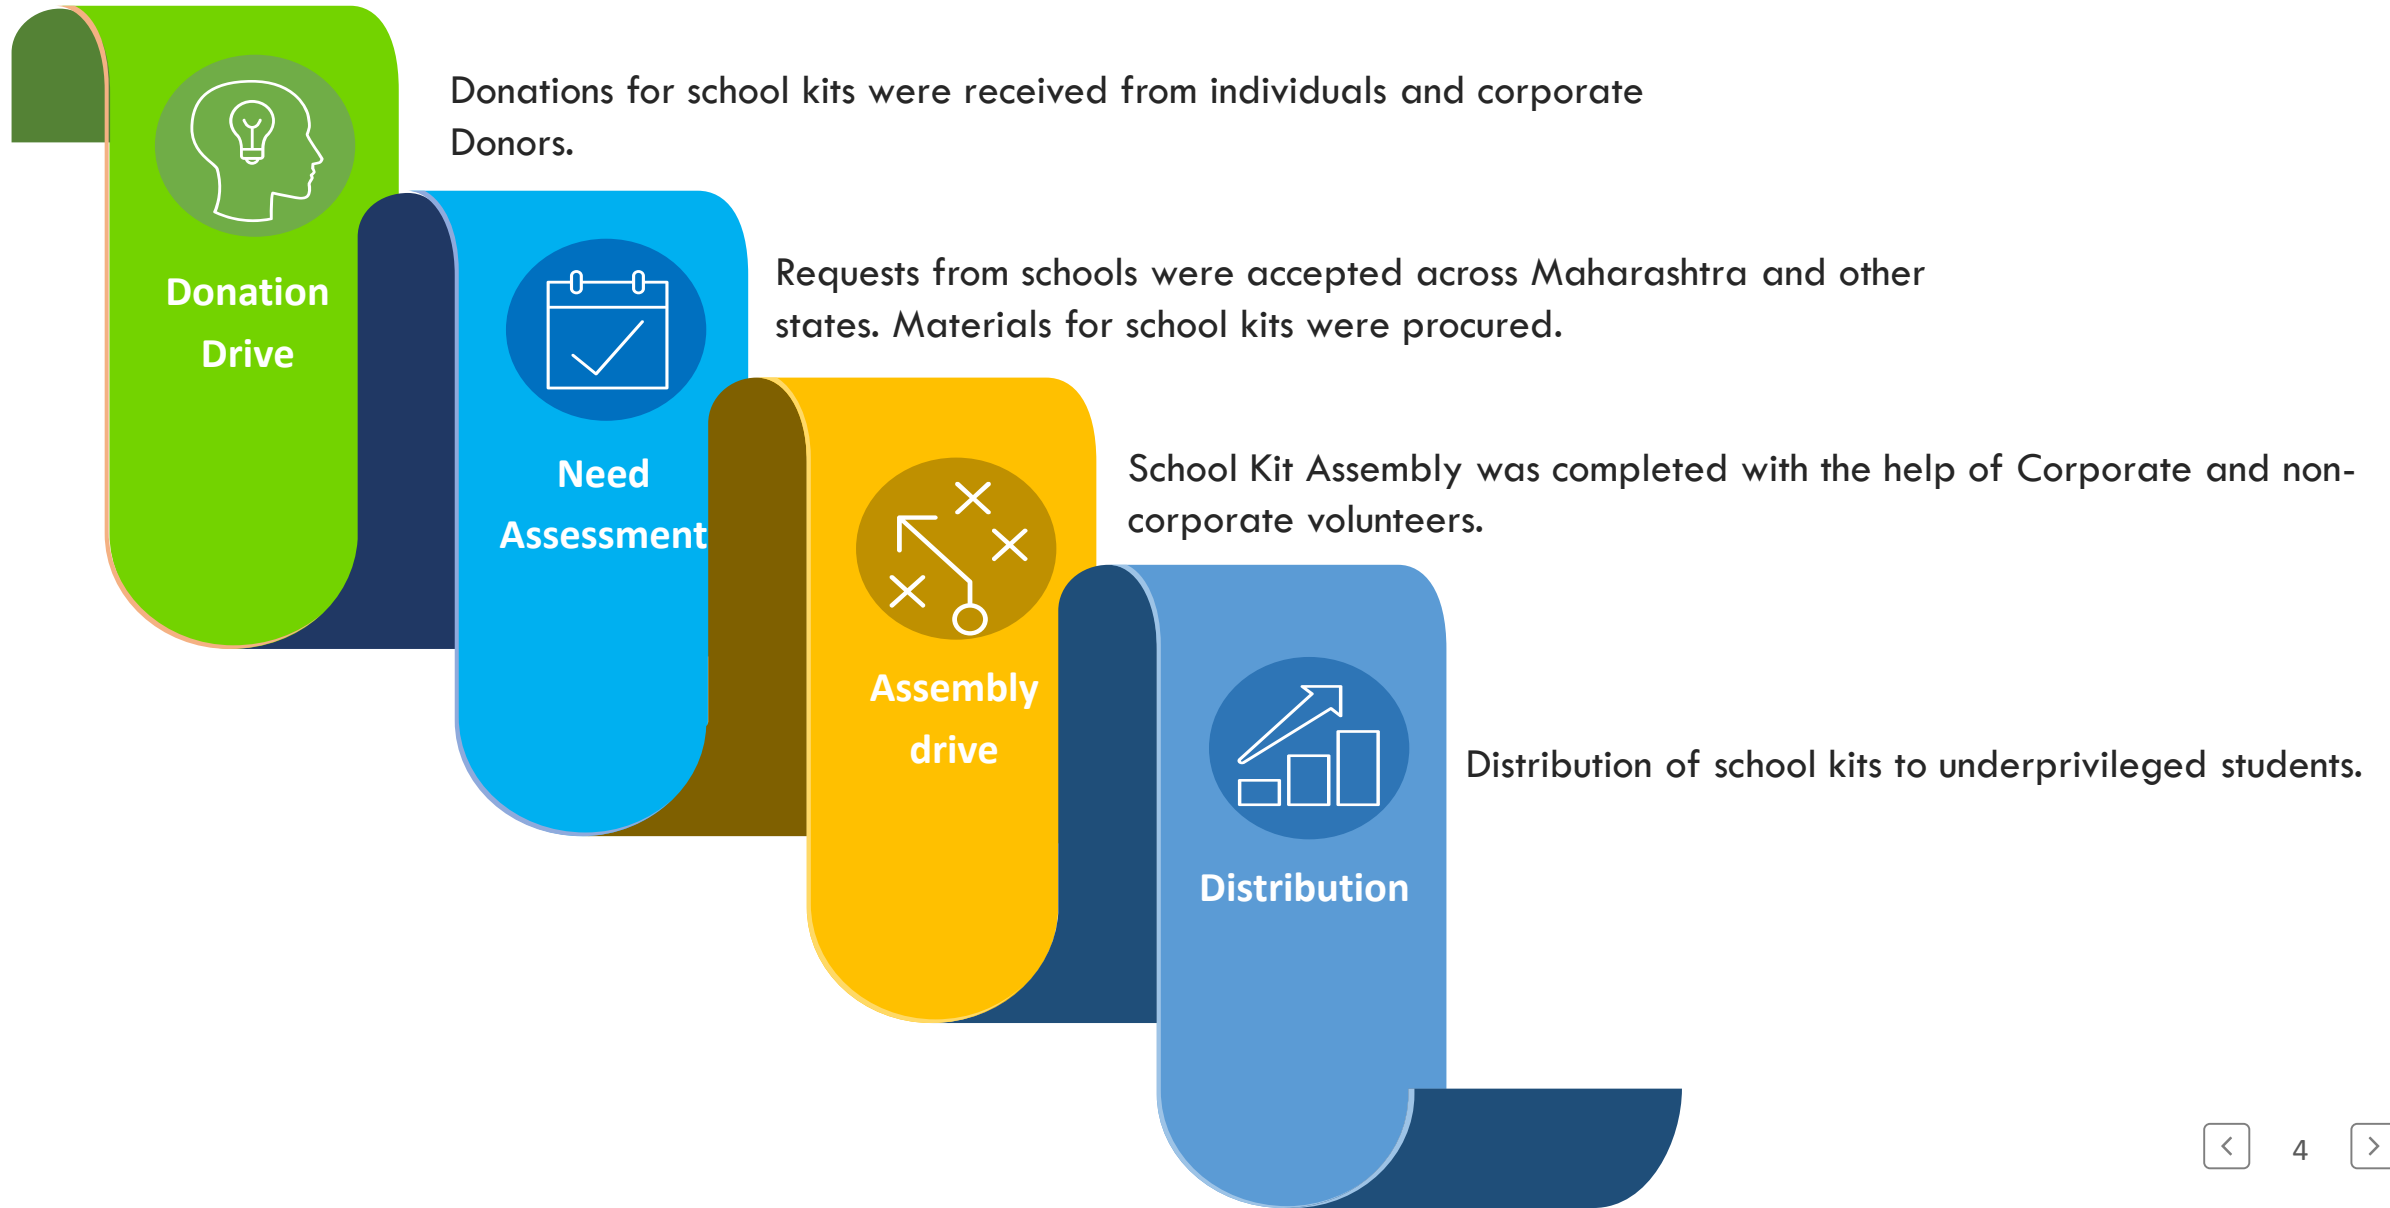

# Contents
