Seva Sahayog

Women Empowerment Program

We are working with an objective of all round progress of women, various skill development programs are conducted for women from the low-income group located in and around Pune. The Program has reached out to more than 1000 women and is giving livelihood opportunities to 150 to 200 women who have now become economically and socially empowered. In fact, some of them have started their own small businesses.

Skills like sewing clothes, stitching jute bags/ purses/ cloth-bags, making decorative items/ candles/ artificial Jewellery, cooking etc. are taught. You will be glad to know, that we do not stop at teaching the skills, but also make available a market for these products. Through Seva Fair Women get a chance to learn marketing skills from setting up a stalls at corporates and Public places. WEP products are available at our centre at Navi Peth and also at various stock points in Pune .
