

School Kit 2010

**Towards creating
countless smiles**

"A smile happens in a flash, but its memory can last a lifetime."

About School Kit

Volunteers at Seva Sahayog come together every year to help provide brand NEW school kits to school going under privileged children. The aim is to BRING SMILES to these children as they take their next leap in learning.

We all have experienced the joy of having a new school bag, books, pencils and crayons on the first day of school. With the 'School Kit' program we hope to create that 'moment of smile' for the underprivileged children in the society.
